--------------------	---------------------	--------

After we have received your order form we will send you a PDF proof of the engraving for your medal box and an invoice confirming your choices and pricing.

We will start making your medal box as soon as payment is received. As we cut and dress our own wood and oil and wax finish all our boxes, it will take approximately 4 weeks until your order is ready for shipping.

If you have any questions, can't decide which options to choose or need any assistance filling out this form, please complete what you can and detail your questions or concerns below. If you are wanting a medal description engraving and aren't sure what medals you have, please send us through a picture of the medals and we will help identify them for you.

**Thank you and we look forward to making your medal box**
